KEY INFORMATION

APPOINTMENTS

All our treatments require a prior appointment, although you can always drop in to see if we can fit you in. If not, you can always see the periodic exhibition, or sit in our lounge and leave with renewed energy.

Punctuality. This is absolutely necessary, so that no-one has to wait. Remember that you must call us to reserve a time. A credit card is required for treatments which take over 3 hours. Please ring us if you think you cannot come. 24 hours' notice is required for treatments, and 48 hours' notice for packs. Otherwise, 50% of the treatment must be paid.

VOUCHERS

Although you will have to pay it all at once, if you're a Lab Room addict, you'll save 20% with a voucher for 10 treatments - don't doubt it.

HOME SERVICE

In The Lab Room we adapt ourselves to your needs and, by prior appointment, we can provide you with service when you need it. Home service prices are increased by 50%.

THE IN THING

PARTY TIME (Min. 8 pers.) Consult prices

Stag parties? Birthdays? Divorces? Work breakfasts? Come and celebrate with your group of friends in The Lab Room. We'll hang up the "Closed" sign and you'll have a whale of a time. What better way to celebrate than with massages, manicures, pedicures, make ups, etc.? If you require catering or a DJ, we can also provide. Party time in The Lab Room!

OFFICE S.O.S. (Min. 10 pers.) 15€/person

If you are on the verge of escaping via the air conditioning ducts to get a breath of fresh air, breathe deeply and relax. The Lab Room massage team is coming to the rescue. Tell us what day you'd like us to come to your office, get 10 volunteers together, and with just 20 mins of massage you'll be fully revived and will return to work so on-the-ball that a pay rise will be an imminent reality. NOTE: if you are the Head of Human Resources, be generous with your personnel and subsidize this idea – they will thank you every morning with warm doughnuts.

THE LAB ROOM GIFT VOUCHERS

The best gifts you can give are time and happiness, 2 words which become reality in The Lab Room. The next time you have to give a present, choose one of our gift vouchers – you'll see how they thank you for it. We have personalised gift vouchers for companies. If you're fed up with traditional Christmas hampers, then ask us and we will create something much more entertaining, relaxing and original for your company.
